Snap button fastening.

NORMS & REGULATIONS

- Material in accordance with **EC N° 1935/2004 Regulation** on materials and articles intended to come into contact with food.
- Material in accordance with **UE N°10/2011 Regulation** on rubber materials and articles intended to come into contact with food. This PPE may be put in contact with all types of food except acidic food (PH inferior to 4,5).
- Material in accordance with **Article 33 of the REACH Regulation N°1907/2006** on products containing SVHC and its amendments.
- Does not contain phthalate, silicone (and silicone derivatives), or bisphenols.

CLEANING

Wash and brush the apron in hot soapy water (40°C) or in a mixture of water and a gentle detergent. Rinse with water. Do not use toxic products to clean or rinse the apron.

After cleaning, store in a dark, dry, well-ventilated place. The apron must be replaced when it shows signs of wear and tear.

With a proper use and a good maintenance, your cover apron lasts longer!
