

## GCM

Removable strap kit for glove with long cuff

### CLEANING CONDITIONS

**Cleaning / Disinfection :** These straps are designed to be fitted to Manulutex GCM gloves. If the straps are cleaned and disinfected in association with the gloves, the conditions for cleaning the gloves apply. Please refer to the gloves instructions. For separate cleaning, brush with hot, soapy water at 40 °C or a mixture of water and mild detergent. Rinse with water after cleaning. Use only veterinary approved products.

**Drying and Storage:** Forced drying by hot or natural air ventilation but in a dry and ventilated place. Store in a cool, dry place.
